

## INVITATION to CNKI European User Meeting 2007

*Dear Users,*

CNKI cordially invites you to participate in the CNKI European User Meeting 2007, to be held on **21<sup>st</sup> September, 2007 in Berlin State Library in Germany (Staatsbibliothek Berlin –SBB)**.

CNKI has devoted itself to the national project of online publishing of Chinese academic literature and we are delighted for the achievements we have made during the past 10 years. We will continue to support this program and are ambitious to be the best online resources provider of the country. We believe most of you have witnessed our development since a German/European consortium for China Academic Journals, CNKI's flagship product, was established two years ago. We want to thank you for your support in CNKI and hope you do find our service helpful to your Chinese research. We will dedicate ourselves for a better service in the future.

The meeting will take place at 9:00 --- 12:00 am in the morning on that day. During the meeting we will give a detailed demonstration on our upgraded system, KNS5.0 with its new features and functions, and you can also expect a short report on our latest development and new products including the yearbooks and reference works. You are welcome to make any comments and suggestions on CNKI services or technology during the Question and Answer time. We would appreciate a lot if you could join us there.

More details about the meeting will be provided later. Please contact Mr. Matthias Kaun or Nancy Guan ([Beijing@cnki.net](mailto:Beijing@cnki.net)) to confirm whether you would come or not.

We look forward to meeting you in Berlin!

Newman Yan
